

SUMMER CAMP

**ACTIVE AND
INSPIRING**

1-833-ALC-KIDS

**EMMAUS • FOGELSVILLE
BREINIGSVILLE • PALMER**

WEEKLY THEMES • LEADERSHIP ORIENTED **WEEKLY FIELD TRIPS • WEEKLY POOL TRIPS**

Week 1 JUNE 17–21 The Search For Atlantis

Join us as we follow clues to find an underwater city of treasure, sea creatures, and ancient architecture. Dive deep with your fellow explorers, and don't be afraid to get a little wet as we use our perseverance to search for the Lost City of Atlantis!

Week 2 JUNE 24–28 Island Explorers

Feel the trade winds blow, as we set off over the ocean blue, discovering exotic island life. Are you brave enough to survive the jungle and explore new lands? Plenty of challenges await; only the most brave and courageous campers will survive.

Week 3 JULY 1–5 On The Ball

Kickin' in, Tossin' it, Hittin' it, Dodgin' it. . . there are many ways to play ball! Can you work with your teammates to win? Can you score the most points? Can you invent new games that have never been made before? What can you do, when the ball is passed to you?

Week 4 JULY 8–12 Color Wars

1, 2, 3, 4. . . We want a Color War! Get together your team spirit and ALC pride at this tournament of leadership and cooperation. Each day will be an exciting gauntlet of physical and mental challenges against your rivals. It takes passion to win, and compassion to win well. Can you do it?

Week 5 JULY 15–19 The Rock We Live On

Third rock from the sun. The blue planet. Earth is a big, wide, and wonderous place. We will explore the creatures that live here and the plants that grow on it, the wonders of the world and the resources it shares with us. What do these things have in common? Let's find out together!

Week 6 JULY 22–26 Space is the Place

Beyond our planet is a galaxy more vast than our own imaginations. It's time for you to take one small step into the great unexplored world of space. Solar eclipses, meteor showers, constellations and spaceships! What will you find, that no human has ever found before?

Week 7 JULY 29–AUG 2 Celebration of Nations

Spin the globe and pick a point! Every place in this world has something unique! Join us as we travel around the world and celebrate all of its' nations. Learn about cultures and traditions beyond our country. Who's flag will you find?

Week 8 AUG 5–9 International Eats

This week's exploration will happen in your tummy! Get your taste-buds ready for some new experiences, brought to us by countries from across the world. Food brings people together, so come with us as we try some new eats! You may just find a new favorite food!

Week 9 AUG 12–16 Rock N' Roll Hall of Fame

Attention Campers: We're opening up the ALC Rock and Roll Hall of Fame! This week, campers will feel the beat, move their feet, try their hand at being an expert lyricist, share their skill on their instruments, or show their talent behind the scenes. Express yourself with your favorite music while we turn up the volume and get amped for some fun.

Week 10 AUG 19–23 Roll Out The Red Carpet

LIGHTS! CAMERA! ACTION!!!! Are you ready for your close up on the big screen? How would you make a movie? Find your skills in acting, script writing, casting, costume design, special effects, filming, and more!

Week 11 AUG 26–30 Slime Time

Slimey, squishy, and gooey! Every scientist needs to get a little messy! Learn about stages of matter, and create recipes for your favorite slime creations! Put your lab coats on, and maybe some safety goggles too! Who knows what things will stick, bounce, flop, drop, and smooch!
