COVID-19 Response Quick Reference for Fogelsville ALC

For further details and information on these and other topics, policies, and changes in our routine care in response to COVID-19, please reference the full policies and handbook appendix shared with all families digitally. **Below is a quick reference specific to procedures and as well as details specific to the Fogelsville ALC facility:**

Drop Off and Pick Up Details

- Drop off and pick up windows will be established and communicated.
- Parents will not enter the facility and will be required to wear a face mask or facial covering through the drop off and pick up procedure.
- A designated staff will complete all screenings and sign ins or retrieve students during these windows
- All preschool through school age children should be dropped off on the MRC side of the building. Please enter the parking lot through the MRC entrance (away from our sign).
- All infant and toddler parents should park in the 6 parking spaces in front of the main entrance and remain in their car.
- Please remain in your vehicle and a staff member will assist you. Parents should be flexible and expect delays are possible
- All pick up will take place on the MRC side of the building. Parents should enter the parking lot through the MRC entrance and pull up along the side of the building. Remain in your vehicle and a staff member will assist you.
- It is expected families make every effort to have consistent drop off/pick up individuals to limit exposure

Payment Procedure Details

- In all possible cases, we request that payments are made through the use of our Auto Pay system.
- Payments over the phone can be made if necessary, on Fridays, Mondays, or Tuesdays from 10am until noon or 6-7pm.
- Payments remain due Friday prior to the week of care or no later than Monday of the week of care.

Personal Belongings Procedure Details

- If you do not already own or have a zip or full closure bag or backpack for your child's belongings, please be sure you purchase one before returning to care. Nylon and easy to disinfect fabrics are preferable.
- Bags must store nap and change of clothes items and are not to be used to travel to and from other locations
- There will be strict enforcement of personal belonging policies
- Personal belongings will be sent home daily as opposed to at the close of each week. Cubbies and refrigerators will be emptied at pick up each day.

Major Health and Illness Policy Details

- Both child and adult (staff and parent) temperatures must be below 100.4°F to be permitted to attend
- Temperatures will be taken daily, and screening questions will be done each morning
- All illness policies will be strictly enforced with a 60 minute/1hour window for pickup
- Parents must notify us immediately if any of the following symptoms are present in themselves or their child: fever, shortness of breath, rash or cough

Mask and PPE Policy

- Staff will maintain the use of masks during their shift.
- Staff in direct contact with bodily fluids or caring closely for a child (ie diapering, feeding, responsive care) will use disposable coverings or gowns for each individual interaction
- Students between the ages of 3 and 13 years old can bring along a parent-provided mask or facial covering, but this is not required. The staff at Active Learning Centers will do our best to have each child maintain the use of the mask.
